THE HOUSE OF CRK

CRK is a leather goods house created in 1986, offering a wide range of premium genuine leather products for women and men such as handbags, satchels, briefcases, small leather goods, belts, various cases ...

During all these years, CRK has stood out for its know-how, its unrivaled experience, the quality of its leather and its creations.

THE HOUSE OF CRK

As an expert in the field of small leather goods, the one that you wear closest to you and that requires a work of great precision, we pay a particular attention to beautiful materials as well as to the finishing touches.

From full-grain leather to the finesse of a clasp, we leave no stone unturned.

CRK remains much more than a brand; we are a culture, an art, an attitude ...

A vintage typewriter with a dark grey body and orange accents. A sheet of white paper is inserted into the carriage, and the words "OUR STORY" are printed in a large, bold, black sans-serif font. The typewriter's keyboard is visible at the bottom, with several keys being pressed by a person's hands. The background is a plain, light-colored surface.
